

Two Programs Are Scheduled for Library Hour

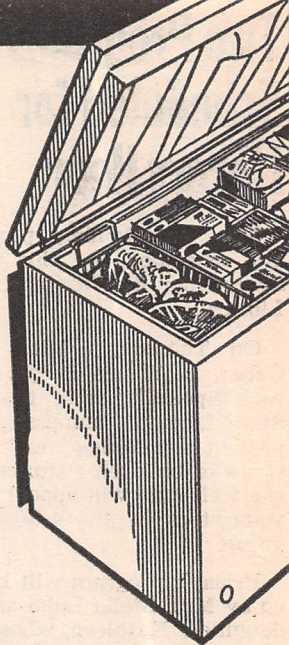

13 Aug 1970

Two entertaining programs are scheduled for this week's Story Hour, at Wasatch County Library.

On Thursday, Miss Carol Oakes, a Young People's Library Specialist from the Utah State Library Commission, will present recordings and film strips of children's stories, that she feels sure will appeal to the youngsters in the 4-6-year-old group.

Friday's program will be given by Mrs. Stella Luke and her daughter, Kathleen, whose guitar and western music is well known in our valley, and by Mrs. Marvel Murdock whose enchanting way of telling stories will certainly please the 7-9-year-olds.

All children in these age groups are encouraged to come and participate in these story hours and enjoy the fun that is there.
